Policies

Class Times

You can keep your assigned class time until you choose to change your time slot, or your child progresses to a significantly different level than the rest of the class. Children will not be kept in classes that may hinder improvement. Group classes with low enrollment are subject to cancelation, and a new class will be arranged. Please use the <u>schedule change form</u> if you need to change your class time/day.

Make-Ups

There is one make-up every month, though it is not guaranteed. Make-ups will only be allowed if the absence is notified 24 hours in advance and if there is room in the class. Missing a make-up class does not result in another make-up. Please complete the <u>absence form</u> prior to missed class.

Extended Absences

If you will be away for an extend period of time, you may choose to withdraw and re-enroll when you return. If you would like to retain your space in a certain class you may offer your spot temporarily to a friend of similar age/ability. This must be approved by your instructor and may be denied if disruptive. Extra make-ups can sometimes be arranged before + after your absence when available.

Withdrawal

You can remain in your class for as long as you would like. When you are ready to withdraw or take a break, please submit the <u>withdrawal form</u>. Please complete this form at least 48 hours prior to your scheduled payment to avoid unwanted charges. Lessons that have been pre-paid can be saved as a credit on your account or transferred to a friend.

Payment Plan

Initial Payment

After your Taste of PBJ you will receive an invoice for your first full month of lessons and equipment rental if applicable. If you begin after the first week of the month, you will be pro-rated. Your payment can be set up on the card used to purchase the Taster class. If you would like to use a different card, please login to update payment information.

Classes are perpetual, so you can choose to remain in the same time slot for as long as you would like. You will receive an invoice for the following month and can withdraw at any time (see above). Tuition is based on 4 classes per month. Invoices are adjusted if there are more or less than 4 scheduled classes. You can choose auto or manual payment options. Login to change your e-Payment schedule.

Auto e-Payment Schedule

Your credit/debit card will be charged on the first of each month for that month.

Manual e-Payment Schedule
