

Incline 2019 Winter Camps

Tahoe's Connection for Families (TCF)

Before Camp:

Please enter through the outdoor play space around the back of the building. You can open the gate and head for the lower door with the Camp PBJ sign.

Campers can leave belongings in a cubby and remove shoes.

If you need to drop off late or pick up early please text Becca @ 720-202-8057

Parents/guardians of our youngest campers will need to stay on site. You are welcome to hang out with the campers or bring a book to read upstairs ;).

Location:

TCF is located on the north shore of Lake Tahoe. You can enter through the front door on the second floor.

*761 Northwood Blvd.
Incline Village, NV 89450*

Parking:

There is parking in the front of TCF on Northwood as well as behind the building.

What to Bring

NUT FREE Food-

Campers will need to pack a good sized snack and/or lunch. Camps are NUT FREE (not just peanut). Please pack a water bottle with your camper's name on it.

Clothes-

You can pack a change of clothes if you would like. Some activities are messy. We recommend play clothes that allow easy movement. Large T Shirts will be provided for particularly "colorful" art. You can also bring a smock if you prefer you child not wear community clothing.

We will be outside for a portion of each day. Please pack sunscreen, hats, coats, snow clothes as needed.

Schedule

Each day will follow the same general schedule with modifications for extended activities, etc. If your child has difficulty with transitions, please ask for a picture schedule that you can go over at home.

Activities-

- Exploration stations, yoga class, group games/relays, camper designed obstacle course, low key games/coloring, breathing/meditation exercises, outdoor free play, snack (brought from home)
- Everyone participates in 30 minutes of yoga and 15 minutes of group games. Outside of these times, campers can choose from at least 2 staffed activities. Some kids prefer to run and jump all day while others get crafty.
